

Lead Therapist Job Listing - Bozeman, MT

About the Eating Disorder Center of Montana

Established in 2013, the [Eating Disorder Center of Montana \(EDCMT\)](#) offers outpatient, intensive outpatient (IOP) and partial hospitalization program (PHP/day treatment) levels of care. Our multidisciplinary team includes a psychiatrist, psychotherapists, a music therapist, registered dietitians, registered nurses, a house chef, and yoga-trained milieu therapists—all of whom support EDCMT's mission to light the way out of eating disorders, freeing patients to live wholeheartedly. We treat all genders, ages 12 and older, in support of our vision of creating a future where every patient can live out loud, having overcome their eating disorder through wide-open access to compassionate, expert patient care. Our IOP and PHP programs have up to eight patients in each so that each person receives individualized treatment.

Job Responsibilities

- Provide clinical supervision to licensure candidates
- Collaborate with the Clinical Director, Program Manager, and Lead Dietitian around program decisions/changes
- Manage therapist team time off and coverage per 2024 PTO guidelines
- Provide coverage where needed
- Create onboarding schedule for new therapists in collaboration with Clinical Director
- Use of apps including InSync, Google Workspace, Zoom, Workforce, Recovery Record, and Spruce
- Provide intake assessments and follow-up recommendation guidance to the admissions team
- Manage planning and implementation of group therapy curriculum in partnership with Clinical Director
- Be a liaison between the therapist team and the clinical director and management, and provide staff support regarding patients issues as they arise
- Maintain and enhance knowledge of current clinical practices, strategies, and developments through participation in professional organizations; internal and external training opportunities

Who you are and what you'll bring

- Current therapeutic license in the state of Montana (LCSW preferred)
- Two years of clinical experience preferred
- Knowledge and proficiency in evidence based current practices in the treatment of eating disorders
- Demonstrates clear ability to use therapeutic communication skills to build strong patient relationships and improve outcomes
- Ability to work with and lead a team of diverse individuals while accomplishing company and personal goals
