

## **Staff Psychotherapist Job Listing Bozeman, MT**

Established in 2013, the Eating Disorder Center of Montana (EDCMT) offers outpatient, intensive outpatient (IOP) and partial hospitalization program (PHP/day treatment) levels of care. We are seeking a full-time, licensed clinician to join our team.

Our multidisciplinary team includes a psychiatrist, psychotherapists, registered dietitians, registered nurses, and yoga-trained milieu therapists—all of whom support EDCMT's mission to light the way out of eating disorders, freeing patients to live wholeheartedly. We treat all genders, ages 12 and older, in support of our vision of creating a future where every patient can live out loud, having overcome their eating disorder through wide-open access to compassionate, expert patient care.

At EDCMT, knowing that treating patients with eating issues is complex, our clinicians are supported in ongoing learning opportunities to reinforce their existing competencies. We value therapists with a growth mindset, who are excited to continuously hone their existing skills in working with patients across the spectrum of types and acuity of eating disorders, in support of our primary goal to empower each patient on a path to full recovery from both the mental and physical attributes of their eating disorder.

### **Job responsibilities**

- Provide individual, group, and family therapy
- Provide clinical supervision to pre-licensed therapists
- Lead psychoeducational, experiential, and skills-based group therapy
- Conduct clinical assessments and determine level of care
- Formulate and implement treatment plans
- Work collaboratively within a dynamic team to provide the best care possible to patients

### **What you'll bring**

- Passion for treating eating disorders
- Creative and open to develop clinical thinking within a treatment team
- Intellectually curious and excited to learn
- Grounded and calm
- Have knowledge of clinical diagnoses as reflected in the DSM-5-TR
